The screenshot shows a web browser window with the address bar displaying '127.0.0.1:5000/viewProductMovement/1'. The page has a navigation bar with 'Jehad Store' and 'Home' highlighted. Below the navigation bar, there is a form titled 'View Product Movement'. The form contains the following fields:

- Product Name:** A dropdown menu with 'Product Two' selected.
- From Location:** A dropdown menu with '-----select-----' selected.
- To Location:** A dropdown menu with 'Update Location One' selected.
- Quantity:** A text input field containing the number '2'.
- Go Back:** A red button.

The Windows taskbar at the bottom shows the search bar and various application icons.

❖ Save without specifying the quantity of the product, store or product

The screenshot shows a web browser window with the address bar displaying '127.0.0.1:5000/submitMovement'. The page displays an error message:

Error
